

**Driver Version:** 5.00  
**Published:** 3 Apr 2012

These release notes include important information about D-Link LAN adapter driver revisions. Please follow below steps for driver upgrades:

- Please refer to [Revision History and System Requirement](#) for driver and hardware version matrix.
- If you are installing a new LAN adapter, please check the hardware version on the device label; make sure that your adapter meets the requirement of this driver version.
- Please install the drivers before inserting LAN adapter into the computer's PCI/PCIe slot.

For more information regarding our LAN adapter products, please refer to [Related Documentation](#).
