Driver Version: 5.00
Published: Oct 21, 2009

These release notes include important information about D-Link LAN adapter driver revisions. Please verify that these release notes are correct for your adapter:

- If you are installing a new LAN adapter, please check the hardware version on the device label; make sure that your adapter meets the system requirement of this driver version. Please refer to
- Revision History and System Requirement for detailed driver and hardware matrix.
- Please install the drivers before inserting LAN adapter into the computer's PCI/PCIe slot.

For more detailed information regarding our LAN adapter products, please refer to Related Documentation.

You can also download the LAN adapter drivers from http://tsd.dlink.com.tw.
